

August 18th, 2014 – Changing Lives Through the Joy of Sport

1 Source is honored to announce that we have teamed up with a group of officers from the Winter Haven Police Department to help raise funds for the Special Olympics.

Since 1968, Special Olympics have been offering women, men, and children with intellectual disabilities year-round training and competitions in Olympic-style sports. Their more than 32 individual and team sports – from Alpine Skiing to Volleyball – provide quality training and well-matched sporting events. Win or lose, the goal is always to be brave in the attempt!

You can help Special Olympics ensure that everyone has the chance to exert themselves to the fullest, to reach beyond their own limits, and to feel proud of their achievements.
